

ANNOUNCEMENT

IHCFA and MedEvolve are pleased to announce their integrated development of technology that will allow electronic transmission of bills and supporting documents to Workers Compensation, Auto and No Fault Carriers directly through the MedEvolve Billing System.

iHCFA President Dr. William J. DeGasperi commented that "this partnership with MedEvolve expands a Provider's ability to seamlessly submit bills and supporting documents to the Property and Casualty world." Seamless integration reduces the number of steps required for this process. Dr. DeGasperi further stated "from your first submissions you will understand the benefits of this service and the benefits of knowing the status that your bills and medical reports have been submitted and received quickly and accurately." No additional equipment or software is needed.

Through Automation you will begin to realize the following

- Faster payment processing
- Increase office productivity up to 90%
- Cost savings benefits
- Better cash management
- Reduced Accounts Receivable
- Improved Customer Service
- Faster / Better business decisions
- Improved compliance

You can begin this process immediately. Just visit our web site www.ihcfa.com to Join. Then contact MedEvolve at 1-800-964-5129 and have your system upgraded. Again, no additional equipment is needed.

Evaluate our service for 30 days before you make your final decision. We are confident that you will be amazed and satisfied with the service and your expectations exceeded.

For more information or if you have any questions please contact Bryan Downing, IHCFA at 973-451-8213.
